

Link for June

Summer is here and hopefully the quite good weather will continue. At Offwell we love to get the children out and about as much as possible to take full advantage of the weather. We are fortunate to be part of a Learning Community which is very collaborative through primary and secondary.

This half term children from Offwell have been able to take part in a number of sporting and academic initiatives organised by the Honiton Learning Community:

- Mini Tennis – we are delighted to be through to the East Devon finals. More Wimbledon champions on the way!
- Tri Golf – there were lots of games designed around different aspects of golf, chipping, putting etc. Many thanks to Adrian Cave the golf professional at Honiton Golf Club – the children had an amazing afternoon coming 3rd in the competition.
- Festival of Imagination – science workshops held in the Beehive with many professionals from the science and health fields.
- Kwik Cricket (not our spelling!) – run at Cloakham Lawns in Axminster and usually very competitive as well as fun.
- Quad Kids – a chance to try out 4 different sports.

All of the above helps us extend, enhance and enthuse our children.

The school has recently undergone an Ofsted Inspection (**Ofsted** is the Office for Standards in Education, Children's Services and Skills. They inspect and regulate services that care for children and young people, and services providing education and skills for learners of all ages.) We are currently awaiting our feedback so cannot comment, however, we very much look forward to sharing our successes once they are published! Watch our website for the latest update on the inspection – www.offwell-primary.devon.sch.uk.

PTFA Annual Dog Show. It is a Strictly Fun Family Dog Show to be held on **Sunday 11 June starting at 11.00** at Offwell Sports and Recreation Ground (the Village playing field). Lots of fun classes for everyone and every dog, bouncy castle, raffle and refreshments (BBQ). Only £1per class.
