Letter received on behalf of Village Hall and Playing Field committee thanking school and PTFA for contribution to Offwell Bonfire Night.

See separate feedback from July 2016

To date, Offwell has been in the local paper 6 times.

Winter Weather

Our School Emergency Management Plan (due for review in December) contains information about what would happen in poor weather conditions, ie snowfall. I will be contacted by staff living near school (usually Judy) who informs me of local conditions, I then make a decision as to whether to close the school. In the event of full or partial closure, I inform post the information on the Devon School Closures website and inform local radio stations. Judy posts the information on the school website and we send a text to all parents. There will be a reminder in the newsletter nearer to winter.
