

Curriculum Committee Key Priorities

1. To continue the improvement in standards in maths across the school so that standards in maths diminish the difference with reading and writing.
2. To ensure high quality phonics teaching across the school ensures higher than national % children attain the Y1 and Y2 phonics check and that children not yet fluent in using phonics in their writing are supported to improve and diminish the difference with a target to meet expected phonics and spelling standards.
3. Improved wellbeing for children is enhanced by 'Character Based Learning.' This will further promote creative and critical thinking, and independent learning for all children.

2. Leaders and Managers will agree and embed a revised long term Vision for the school. There will be a shared understanding of and commitment to this across the school community and evidence that it is supported by stakeholders.
3. Governors will have confidence in their secure evaluation of our school's achievements and recognition of next steps within the new SIAMS framework, evidencing high standards across the areas of the framework.

NB: 'Leaders and Managers' refers to Governors, Headteacher, Senior Leadership Team and all other Leaders and Managers, eg Co-ordinator of a subject area, A 'Curriculum Leadership Team'.
