

School Council 2018 - 2019

Minutes of meeting 15.10.18.

1. **Global links** - Mrs Hunt explained that the Erasmus trips to Latvia, Spain and Italy have now finished and that the school was thinking about a new link with a different country. One local charity that supports work in Kenya (Urifiki) has presented its work to staff but no decision has been made as yet.
2. **Change-makers** - this idea has been introduced into Wow Wednesday collective worships (how do we help to make the World a better place)? Mrs Hunt asked if councillors thought it would be sensible to re-introduce our E-team, to support this idea of caring for the world. Councillors agreed it would be beneficial and a discussion followed over whether School Council should take on this role or if House Captains could be involved, telling teachers if they have noticed people saving energy or resources, in exchange for a House Point. This idea will be shared at the next Staff meeting.
3. **Children in Need** - Nov 16th - It was agreed to make this year's event a 'Topsy Turvy' day, with everyone wearing clothes that were inside out, back to front or non-matching, in exchange for a minimum donation of £1 to the charity. The PTFA will hold a cake stall after school and councillors wanted to run a 'Guess the number of Spots on the cake' competition. If any parent is willing to donate a spotty cake for this, Mrs Hunt would love to hear from them! Y6 councillors will collect non-uniform donations in our Spotty Jar first thing in the morning and give children the opportunity to make a guess for the Spotty Cake at a cost of 50p. More guesses could be paid for at the cake stall after school before the winner is announced.

NEXT MEETING MONDAY 5TH NOVEMBER 12.30 IN ASH CLASS.
