2. **Easter community tea party** - Councillors will remind classmates of the tea party, raffle and Easter garden competition, after school on Friday. Everyone is welcome. Easter gardens cost £1 to enter and there are prizes for the winners in each class.
3. **Art** - councillors asked that more art equipment was made available in some classes. Mrs Hunt mentioned that orders for class resources are currently being put together and will include art equipment.
4. **Play-on car** - councillors asked that an old car or tractor was bought for children to play on. After discussion, it was agreed that it would be very difficult to position a vehicle like this and still have enough space for football, PE etc.
