

Parent Questionnaire – Out of School Hours School Provision

WASP Club has been running successfully at Offwell C of E Primary School for a number of years and has grown in popularity. We are now looking at the provision we will be able to offer from September.

To make sure we can meet your and your child's needs as well as possible, we feel it is time to survey all our parents about the club and find out if there is a need to include Friday afterschool sessions.

Current Provision

The present cost is £7 per session (3.15pm to 6pm), £4.50 per session (3.15pm to 5pm) or £2.50 per session (3.15pm to 4.15pm). Certain employer child care vouchers can be accepted.

Sports Club

This presently runs on Mondays (with a specialist sports coach and member of our staff at a cost of £2 per session – 3.15pm until 5pm).

Early Morning Provision

We offer Early Morning Provision every day from 8.00am –

Early Morning Provision - £1.25 per child per session (from 8.15am) or £2 per child (from 8am to include breakfast)

Proposal

We are now looking to see if it would be viable to increase our provision to include Fridays after school. If you think you may be interested in this additional provision, please could you complete and return the attached slip.

In addition, we plan to increase the charges as the fee until 5pm has remained unchanged at £4.50 for 6 years. We will be increasing this to £5, meaning the cost until 4.15pm would be £3 and the cost until 6pm would be £8.

This will allow for any additional costs accrued for staff/food. A reminder that it is a directive that any paid for childcare provision run within a school must be self-financing. Our aim for WASP is that it is not profit making: there is no charge made for use of the premises which keeps costs down, but both staffing costs and cost of resources must be covered by the income of the club. We believe WASP still offers the cheapest out of school care in our locality.

We are also seeking the views of parents/carers of children who already attend WASP about the provision on offer; please see the attached. Your views on what works well/even better if..... will be gratefully received and used to help us improve our provision.

We should appreciate it if you could return the form by Friday, 28th June.

Thank you.
