

Link July for August

By the time you read this article we will all be on holiday!! The end of the Summer Term is a time of mixed emotions; relief because you have all made it through another term; joy because the holidays are here and sadness because we have to say goodbye to some of our children.

All our Year 6 children have moved on to secondary school where they will start their new challenges in September. Some of the staff will have known these children for 7 years and we have watched them grow from little acorns into sturdy saplings! It is hard to say goodbye although we hope we have equipped all of them with enough academic learning, practical skills, sporting abilities and emotional stability to help them do their absolute best in the future.

The end of this academic year has been doubly sad as we have also said goodbye to Dr Phillip Ambler our Chair of Governors. Dr Ambler took on the role 5 years ago and during that time he has represented Offwell School with tenacity, positivity, clear guidance and humour. He oversaw the appointment of a new Headteacher and supported us during inspections from Ofsted and SIAMS. Dr Ambler will be a fantastically hard act to follow and we will miss him tremendously. However, if you feel you would like to join the Offwell School Governing Board we would love to hear from you – just contact Mrs Davey at the school

Having said all those goodbyes we now have to look to the future. School starts again in September and children, parents, teaching assistants and teachers will all be bright eyed and bushy tailed and ready to face new challenges.
