

URAFIKI Orphans and Vulnerable Children's Scheme

Dear Offwell School,

Thank you so much for taking on a new child on the URAFIKI orphans and vulnerable children's scheme to replace Jasmine Lihavi who has gone to live with her parents in Nairobi. This is a photo and story of your new child.

Name of your student: Ashley Adema

Primary school: Mokwo

School year: Class 1

Ashley is 6 years old and joined the Orphans and Vulnerable Children's scheme when we visited in December 2018. She lives with her grandmother, as her father died and her mother is very sick and has emotional problems too.

Her grandmother tries her best to feed Ashley with what she can grow on her small piece of land but food is scarce and they live day by day asking for food from neighbours when they don't have any. Ashley is a happy little girl and likes playing with her friends.

Her grandmother is very grateful that Ashley is on the scheme as now fees will be paid at school and she will get a school dinner, new uniform and some basic foodstuff to bring home each month. Thank you so much for your generosity and please know that every penny of your donation will be used to support Ashley.
