

## **URAFIKI Orphans and Vulnerable Children's Scheme**

**Name of your child:** Oscar

**Primary school:** Kaptisi

**School year:** Class 4

Oscar stays with his granny as his mother is not alive. He is the oldest child in his family. His granny is old so she finds it very difficult to get enough money to feed and get clothes for Oscar so his life is a bit difficult. He lives in a mud hut, cooks on an oven made of 3 stones and shares a blanket with the other children in the family.

Oscar is so happy now that he is on the URAFIKI scheme as he gets a school dinner, uniform and exam fees paid. His granny is so grateful and promises to make sure Oscar goes to school every day and that he works hard.

Thank you so much for helping Oscar to get an education.
