

Link for December

All the children at Offwell School have been experiencing, and learning from, a variety of initiatives.

Oak Class (ages 9 to 11) enjoyed an afternoon of First Aid Training where they learned all about DRAB – Danger, Response, Airway, Breathing. Their trainer, Ian from Moorland First Aid, took them through what to do with someone choking; how to perform CPR; bandaging techniques and the vitally important recovery position.

All the children really enjoyed the

experience : “It was good fun putting bandages on each other” Lilly-May; “The man made it fun, so that we could remember it well” Layla; “ I now feel confident that I could help somebody” Jessica; “I learnt how to react quickly” Jamie.

A group of our hugely supportive parents has taken up the challenge of supporting the

teaching of cookery across the school through regular sessions covering different cooking techniques. They will be including learning on healthy and varied diets; seasonality and how a variety of ingredients are

grown, reared, caught and processed. The sessions are held in the Village Hall so we use their cooking/kitchen facilities.

Willow Class (ages 5 to 7) made vegetable soup and hedgehog rolls . Beech Class (ages 7 to 9) made three bean chilli and chilli cheese scones . Oak Class will be making fajitas. The PTFA has helped support this initiative with the purchase of equipment so that all children are busy all the time – nobody likes waiting for a potato peeler!

Upcoming for Ash Class (ages 3 to 5) will be a dance session based on Diwali – the Hindu Festival of Lights.

The Governors, Staff and pupils of Offwell School would like to wish you all a Merry Christmas and a Happy New Year.
