

School Council 2019 - 2020

- **Children in Need** - As a school we raised £134 for Children in Need. Well done and thank you to everyone who contributed.
- **School Environment** - School councillors were reminded that they should be thinking about the school environment with a particular focus on the fence art and how we could incorporate our school vision.
- **Oak Class children** have asked that classes wait until they hear the bell at break times and the end of the day before leaving classrooms.
- **Lunch time prayer** - School councillors would like to make sure that we are all saying a prayer before lunch. They have said that it is happening for packed lunches but not for school dinners. We talked about how this could be because children have to line up for their school dinner so children begin eating at different times. However as the children are now going straight into the dinner hall and sitting down, school council suggested we could say the prayer before going to get our food.

NEXT MEETING: Tuesday 14th January 2020
