

## OFFWELL PTFA SILENT AUCTION

Before I introduce you to some really lovely and exciting lots in our silent auction, I thought I would explain a little bit about what we do.

In our PTFA there are up to 12 committee members including teachers, governors and parents. Throughout the year we arrange various events for the children and families to enjoy while raising some much needed funds to provide the extra things for our children at Offwell School. During a normal year we would have a lantern competition at the Offwell fireworks display, a Christmas Fair and raffle, a Christmas wreath making evening, afternoon tea in the spring term and then something during the summer. In the past we have been involved in the village 'Pimms on the Pitch', we've organised a dog show and last autumn we had our ceilidh!! We've had some really enjoyable times and over the years we have raised thousands of pounds to benefit the children at school.

This year we had planned a bake off competition, afternoon tea and raffle in March but we had to cancel it, so we thought it would now be a good idea to use those raffle prizes in a silent auction. We are really grateful to all the companies that have donated prizes to us.

I'm sure events will return in the not too distant future, and fun will be had as a whole school once again, but in the meantime we'll just do the best we can.

Please see below a list of items available, in separate lots. The auction will go live on Saturday 24<sup>th</sup> October at midday and the deadline for bidding is midday on Sunday 1<sup>st</sup> November. Any emails sent after midday on 1<sup>st</sup> November will not be included.
