Dear Parents and Carers,

As we enter the last half term of this year, we warmly welcome William, Skylar and Sophie to Ash class. We always enjoy getting to know our new children and their families.

With the sun finally arriving, please can we ask that all children bring a **named water bottle** and **sunhat** to school (there are some legionnaire style ones available to buy from the school office). You may also like to apply **sun cream** before the school day. Please talk to us, if you are concerned about sun safety.

We are starting this half term by looking at the season of Summer and how things change, at this time of year. We are pleased with our beans, peas and potatoes, that are all growing steadily and are delighted with our new Bug Hotel that is already providing shelter for lots of mini-beasts.

Over the following few weeks will look at being **‘Out and About.’** We will explore different forms of **transport** and learn new skills by reading and creating our own **maps**. If you get the chance to look at atlases, maps or Google Earth with your child at home, that would be wonderful! There are so many things to learn, from what blue on a map represents, to the names of different countries and new vocabulary. We may also compare different environments and invent our own travel stories, based on books such as ‘Mr. Gumpy’s Outing.’

We hope to fit in at least two more welly walks to the woods – details to follow – and are keeping our fingers crossed, that changes to covid restrictions may allow us to have a school Sports’ Day.

As always, please do ask if you have any queries or concerns. We look forward to a sunny and busy half term together.

Kind regards  
Sally Hunt
