Our Core Values: Honesty, Loyalty, Caring, Sharing and Forgiveness.

Dear Friends and Families of Offwell,

This week we have been extra busy, creating a mosaic to celebrate our new House Leaders, Anning and Attenborough, as well as being creative in our classrooms. Next week, we will welcome Varrie Nielsen, videographer, who will be collecting memorable shots of our school, to create a film that will help share all the aspects of our school we love. We look forward to sharing this with you!

If your child would like the opportunity to create their own film, Maggie Aderin-Pocock, Space Scientist and one of our nominees for House Leader last term, is working with The British Film Institute to encourage children everywhere to 'See Yourself on Screen'. This is a once in a lifetime opportunity for 4-18 year olds across the UK to create their own mini-TV show and have it aired on national television! Maggie was inspired to get into astronomy by children's show, The Clangers! Who might you inspire? Get involved, go to: <https://www.seeyourselfonscreen.co.uk/>

There have been a couple of cases of headlice reported from different classes. Please could you check your child's hair and treat if necessary?
