Games	Health & Fitness		<p>Describe how the body feels when still and when exercising. Know and talk about the different factors that support overall health and wellbeing: -regular physical activity</p> <p>Develop overall body strength, balance, coordination and agility.</p>	<p>Manage their own basic hygiene and personal needs, including dressing.</p> <p>Demonstrate strength, balance and coordination when playing.</p>	<p>Describe how the body feels before, during and after exercise. Carry and place equipment safely.</p>	<p>Recognise and describe how the body feels during and after different physical activities. Explain what they need to stay healthy.</p>	<p>Recognise and describe the effects of exercise on the body. Know the importance of strength and flexibility for physical activity. Explain why it is important to warmup and cool-down.</p>	<p>Describe how the body reacts at different times and how this affects performance. Explain why exercise is good for your health. Know some reasons for warming up and cooling down.</p>	<p>Know and understand the reasons for warming up and cooling down. Explain some safety principles when preparing for and during exercise.</p>	<p>Understand the importance of warming up and cooling down. Carry out warm-ups and cool-downs safely and effectively. Understand why exercise is good for health, fitness and wellbeing. Know ways they can become healthier.</p>
	Striking & hitting a ball		<p>Hit a ball with a bat or racquet.</p>		<p>Use hitting skills in a game. Practise basic striking, sending and receiving.</p>	<p>Strike or hit a ball with increasing control. Learn skills for playing striking and fielding games. Position the body to strike a ball.</p>	<p>Demonstrate successful hitting and striking skills. Develop a range of skills in striking (and fielding where appropriate). Practise the correct batting technique and use it in a game. Strike the ball for distance.</p>	<p>Use a bat, racquet or stick (hockey) to hit a ball or shuttlecock with accuracy and control. Accurately serve underarm. Build a rally with a partner. Use at least two different shots in a game situation. Use hand-eye coordination to strike a moving and a stationary ball.</p>	<p>Use different techniques to hit a ball. Identify and apply techniques for hitting a tennis ball. Explore when different shots are best used. Develop a backhand technique and use it in a game. Practise techniques for all strokes. Play a tennis game using an overhead serve.</p>	<p>Hit a bowled ball over longer distances. Use good hand-eye coordination to be able to direct a ball when striking or hitting. Understand how to serve in order to start a game.</p>
	Throwing & catching a ball		<p>Roll equipment in different ways. Throw underarm. Throw an object at a target. Catch equipment using two hands.</p>		<p>Throw underarm and overarm. Catch and bounce a ball. Use rolling skills in a game. Practise accurate throwing and</p>	<p>Throw different types of equipment in different ways, for accuracy and distance. Throw, catch and bounce a ball with a partner.</p>	<p>Throw and catch with greater control and accuracy. Practise the correct technique for catching a ball and use it in a game. Perform a range of</p>	<p>Develop different ways of throwing and catching.</p>	<p>Consolidate different ways of throwing and catching, and know when each is appropriate in a game.</p>	<p>Throw and catch accurately and successfully under pressure in a game.</p>

				consistent catching.	Use throwing and catching skills in a game. Throw a ball for distance. Use hand-eye coordination to control a ball. Vary types of throw used.	catching and gathering skills with control. Catch with increasing control and accuracy. Throw a ball in different ways (e.g. high, low, fast or slow). Develop a safe and effective overarm bowl.			
Travelling with a ball		Move a ball in different ways, including bouncing and kicking. Use equipment to control a ball.		Travel with a ball in different ways. Travel with a ball in different directions (side to side, forwards and backwards) with control and fluency.	Bounce and kick a ball whilst moving. Use kicking skills in a game. Use dribbling skills in a game.	Move with the ball in a variety of ways with some control. Use two different ways of moving with a ball in a game.	Move with the ball using a range of techniques showing control and fluency.	Use a variety of ways to dribble in a game with success. Use ball skills in various ways, and begin to link together.	Show confidence in using ball skills in various ways in a game situation, and link these together effectively.
Passing a ball		Kick an object at a target.		Pass the ball to another player in a game. Use kicking skills in a game.	Know how to pass the ball in different ways.	Pass the ball in two different ways in a game situation with some success.	Pass the ball with increasing speed, accuracy and success in a game situation.	Pass a ball with speed and accuracy using appropriate techniques in a game situation.	Choose and make the best pass in a game situation and link a range of skills together with fluency, e.g. passing and receiving the ball on the move.
Possession						Know how to keep and win back possession of the ball in a team game.	Occasionally contribute towards helping their team to keep and win back possession of the ball in a team game.	Keep and win back possession of the ball effectively in a team game.	Keep and win back possession of the ball effectively and in a variety of ways in a team game.
Using space		Move safely around the space and equipment. Travel in different ways, including sideways and backwards.		Use different ways of travelling in different directions or pathways. Run at different speeds. Begin to use space in a game.	Use different ways of travelling at different speeds and following different pathways, directions or courses. Change speed and direction whilst running. Begin to choose and use the best space in a game.	Find a useful space and get into it to support teammates.	Make the best use of space to pass and receive the ball.	Demonstrate an increasing awareness of space.	Demonstrate a good awareness of space.
Attacking & defending		Play a range of chasing games.		Begin to use the terms attacking and defending. Use simple	Begin to use and understand the terms attacking and defending.	Use simple attacking and defending skills in a game. Use fielding skills to	Use a range of attacking and defending skills and	Choose the best tactics for attacking and defending. Shoot in a game.	Think ahead and create a plan of attack or defence. Apply knowledge of

Use fielding skills as an individual to prevent a player from scoring.	Use fielding skills as a team to prevent the opposition from scoring.	skills for attacking and defending. Work as a team to develop fielding strategies to prevent the opposition from scoring.	
	Tactics & rules	Increasingly follow rules, understanding why they are important. Remember rules without needing an adult to remind them. Start taking part in some group activities which they make up for themselves, or in teams. Show a preference for a dominant hand.	Follow simple rules.	Explain the reasons for rules, know right from wrong and try to behave accordingly.	Follow simple rules to play games, including team games. Use simple attacking skills such as dodging to get past a defender. Use simple defensive skills such as marking a player or defending a space.	Understand the importance of rules in games. Use at least one technique to attack or defend to play a game successfully.	Apply and follow rules fairly. Understand and begin to apply the basic principles of invasion games. Know how to play a striking and fielding game fairly.	Vary the tactics they use in a game. Adapt rules to alter games.	Know when to pass and when to dribble in a game. Devise and adapt rules to create their own game.	Follow and create more complicated rules to play a game successfully. Communicate plans to others during a game. Lead others during a game.
	Compete/perform		Control my body when performing a sequence of movements. Participate in simple games.	Be confident to try new activities and show independence, resilience and perseverance in the face of a challenge. Work and play cooperatively and take turns with others.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control. Engage in competitive activities and team games.	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control. Compete against self and others.	Develop the quality of the actions in their performances. Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and apply skills and techniques with control and accuracy. Take part in a range of competitive games and activities.	Consistently perform and apply skills and techniques with accuracy and control. Take part in competitive games with a strong understanding of tactics and composition.	Perform and apply a variety of skills and techniques confidently, consistently and with precision. Take part in competitive games with a strong understanding of tactics and composition.

	Evaluate		Talk about what they have done. Talk about what others have done.		Watch and describe performances. Begin to say how they could improve.	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others.	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performance. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements.
Dance	Dance skills		Join a range of different movements together. Change the speed of their actions. Change the style of their movements. Create a short movement phrase which demonstrates their own ideas. Create collaboratively, sharing ideas, resources and skills.		Copy and repeat actions. Put a sequence of actions together to create a motif. Vary the speed of their actions. Use simple choreographic devices such as unison, canon and mirroring. Begin to improvise independently to create a simple dance.	Copy, remember and repeat actions. Create a short motif inspired by a stimulus. Change the speed and level of their actions. Use simple choreographic devices such as unison, canon and mirroring.	Begin to improvise with a partner to create a simple dance. Create motifs from different stimuli. Begin to compare and adapt movements and motifs to create a larger sequence. Use simple dance vocabulary to compare and improve work.	Identify and repeat the movement patterns and actions of a chosen dance style. Compose a dance that reflects the chosen dance style. Confidently improvise with a partner or on their own. Compose longer dance sequences in a small group.	Identify and repeat the movement patterns and actions of a chosen dance style. Compose individual, partner and group dances that reflect the chosen dance style. Show a change of pace and timing in their movements. Develop an awareness of their use of space.	Identify and repeat the movement patterns and actions of a chosen dance style. Compose individual, partner and group dances that reflect the chosen dance style. Use dramatic expression in dance movements and motifs. Perform with confidence, using a range of movement patterns.
	Compete/perform	Use large-muscle movements to wave flags and streamers, paint and make marks. Increasingly able to use and remember sequences and patterns of music that are related to music and rhythm.	Control my body when performing a sequence of movements. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with the music. Combine different movements with ease and fluency. Explore, use and refine a variety of artistic effects to express their ideas and feelings.	Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control.	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control. Compete against self and others.	Develop the quality of the actions in their performances. Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and create sequences with fluency and expression. Perform and apply skills and techniques with control and accuracy.	Perform own longer, more complex sequences in time to music. Consistently perform and apply skills and techniques with accuracy and control.	Link actions to create a complex sequence using a full range of movement. Perform the sequence in time to music. Perform and apply a variety of skills and techniques confidently, consistently and with precision.

			Explore and engage in music making and dance, performing solo or in groups.							
	Evaluate	Respond to what they have heard, expressing their thoughts and feelings.	<p>Talk about what they have done. Talk about what others have done.</p> <p>Listen attentively, move to and talk about music, expressing their feelings and responses.</p> <p>Watch and talk about dance and performance art, expressing their feelings and responses.</p>		Watch and describe performances. Begin to say how they could improve.	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others.	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performances. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements.
Gymnastics	Acquiring & developing skills in gymnastics	Go up steps and stairs, or climb up apparatus, using alternate feet. Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.	<p>Create a short sequence of movements. Roll in different ways with control. Travel in different ways. Stretch in different ways. Jump in a range of ways from one space to another with control. Begin to balance with control. Move around, under, over, and through different objects and equipment.</p> <p>Revise and refine the fundamental movement skills they have already acquired: -rolling -running -crawling -hopping</p>		<p>Create and perform a movement sequence. Copy actions and movement sequences with a beginning, middle and end. Link two actions to make a sequence. Recognise and copy contrasting actions (small/tall, narrow/wide). Travel in different ways, changing direction and speed. Hold still shapes and simple balances. Carry out simple stretches. Carry out a range of simple jumps, landing safely. Move around, under, over, and through different objects and equipment. Begin to move with</p>	<p>Copy, explore and remember actions and movements to create their own sequence. Link actions to make a sequence. Travel in a variety of ways, including rolling. Hold a still shape whilst balancing on different points of the body. Jump in a variety of ways and land with increasing control and balance. Climb onto and jump off the equipment safely. Move with increasing control and care.</p>	<p>Choose ideas to compose a movement sequence independently and with others. Link combinations of actions with increasing confidence, including changes of direction, speed or level. Develop the quality of their actions, shapes and balances. Move with coordination, control and care. Use turns whilst travelling in a variety of ways. Use a range of jumps in their sequences. Begin to use equipment to vault. Create interesting body shapes while</p>	<p>Create a sequence of actions that fit a theme. Use an increasing range of actions, directions and levels in their sequences. Move with clarity, fluency and expression. Show changes of direction, speed and level during a performance. Travel in different ways, including using flight. Improve the placement and alignment of body parts in balances. Use equipment to vault in a variety of ways. Carry out balances, recognising the position of their centre of gravity and how this affects</p>	<p>Select ideas to compose specific sequences of movements, shapes and balances. Adapt their sequences to fit new criteria or suggestions. Perform jumps, shapes and balances fluently and with control. Confidently develop the placement of their body parts in balances, recognising the position of their centre of gravity and where it should be in relation to the base of the balance. Confidently use equipment to vault in a variety of ways. Apply skills and techniques consistently. Develop strength,</p>	<p>Create their own complex sequences involving the full range of actions and movements: travelling, balancing, holding shapes, jumping, leaping, swinging, vaulting and stretching. Demonstrate precise and controlled placement of body parts in their actions, shapes and balances. Confidently use equipment to vault and incorporate this into sequences. Apply skills and techniques consistently, showing precision and control. Develop strength, technique and flexibility</p>

	Jumping		Jump in a range of ways, landing safely.		Perform different types of jumps: for example, two feet to two feet, two feet to one foot, one foot to same foot or one foot to opposite foot. Perform a short jumping sequence. Jump as high as possible. Jump as far as possible. Land safely and with control. Work with a partner to develop the control of their jumps.	Perform and compare different types of jumps: for example, two feet to two feet, two feet to one foot, one foot to same foot or one foot to opposite foot. Combine different jumps together with some fluency and control. Jump for distance from a standing position with accuracy and control. Investigate the best jumps to cover different distances. Choose the most appropriate jumps to cover different distances. Know that the leg muscles are used when performing a jumping action.	Use one and two feet to take off and to land with. Develop an effective take-off for the standing long jump. Develop an effective flight phase for the standing long jump. Land safely and with control.	Learn how to combine a hop, step and jump to perform the standing triple jump. Land safely and with control. Begin to measure the distance jumped.	Improve techniques for jumping for distance. Perform an effective standing long jump. Perform the standing triple jump with increased confidence. Develop an effective technique for the standing vertical jump (jumping for height) including take-off and flight. Land safely and with control. Measure the distance and height jumped with accuracy. Investigate different jumping techniques.	Develop the technique for the standing vertical jump. Maintain control at each of the different stages of the triple jump. Land safely and with control. Develop and improve their techniques for jumping for height and distance and support others in improving their performance. Perform and apply different types of jumps in other contexts. Set up and lead jumping activities including measuring the jumps with confidence and accuracy.
	Throwing		Roll equipment in different ways. Throw underarm. Throw an object at a target.		Throw underarm and overarm. Throw a ball towards a target with increasing accuracy. Improve the distance they can throw by using more power.	Throw different types of equipment in different ways, for accuracy and distance. Throw with accuracy at targets of different heights. Investigate ways to alter their throwing technique to achieve greater distance.	Throw with greater control and accuracy. Show increasing control in their overarm throw. Perform a push throw. Continue to develop techniques to throw for increased distance.	Perform a pull throw. Measure the distance of their throws. Continue to develop techniques to throw for increased distance.	Perform a fling throw. Throw a variety of implements using a range of throwing techniques. Measure and record the distance of their throws. Continue to develop techniques to throw for increased distance.	Perform a heave throw. Measure and record the distance of their throws. Continue to develop techniques to throw for increased distance and support others in improving their personal best. Develop and refine techniques to throw for accuracy.

	Create/perform		Control their body when performing a sequence of movements Participate in simple games	Negotiate space and obstacles safely, with consideration for themselves and others.	Begin to perform learnt skills with some control. Engage in competitive activities and team games.	Perform learnt skills with increasing control. Compete against self and others.	Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and apply skills and techniques with control and accuracy. Take part in a range of competitive games and activities.	Consistently perform and apply skills and techniques with accuracy and control. Take part in competitive games with a strong understanding of tactics and composition.	Perform and apply a variety of skills and techniques confidently, consistently and with precision. Take part in competitive games with a strong understanding of tactics and composition.
	Evaluate		Talk about what they have done. Talk about what others have done.		Watch and describe performances. Begin to say how they could improve.	Watch and describe performances, and use what they see to improve their own performance. Talk about the differences between their work and that of others.	Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.	Watch, describe and evaluate the effectiveness of performances, giving ideas for improvements. Modify their use of skills or techniques to achieve a better result.	Choose and use criteria to evaluate own and others' performance. Explain why they have used particular skills or techniques, and the effect they have had on their performance.	Thoroughly evaluate their own and others' work, suggesting thoughtful and appropriate improvements.
Outdoor adventurous activities	Trails						Orientate themselves with increasing confidence and accuracy around a short trail.	Orientate themselves with accuracy around a short trail. Create a short trail for others with a physical challenge. Start to recognise features of an orienteering course.	Start to orientate themselves with increasing confidence and accuracy around an orienteering course. Design an orienteering course that can be followed and offers some challenge to others. Begin to use navigation equipment to orientate around a trail.	Orientate themselves with confidence and accuracy around an orienteering course when under pressure. Design an orienteering course that is clear to follow and offers challenge to others. Use navigation equipment (maps, compasses) to improve the trail.

	Problem-solving						Identify and use effective communication to begin to work as a team. Identify symbols used on a key.	Communicate clearly with other people in a team, and with other teams. Have experience of a range of roles within a team and begin to identify the key skills required to succeed at each. Associate the meaning of a key in the context of the environment.	Use clear communication to effectively complete a particular role in a team. Complete orienteering activities both as part of a team and independently. Identify a key on a map and begin to use the information in activities	Use clear communication to effectively complete a particular role in a team. Compete in orienteering activities both as part of a team and independently. Use a range of map styles and make an informed decision on the most effective.
	Preparation and organisation						Begin to choose equipment that is appropriate for an activity.	Try a range of equipment for creating and completing an activity. Make an informed decision on the best equipment to use for an activity. Plan and organise a trail that others can follow.	Choose the best equipment for an outdoor activity. Create an outdoor activity that challenges others. Create a simple plan of an activity for others to follow. Identify the quickest route to accurately navigate an orienteering course.	Choose the best equipment for an outdoor activity. Prepare an orienteering course for others to follow. Identify the quickest route to accurately navigate an orienteering course. Manage an orienteering event for others to compete in.
	Communication						Communicate with others.	Communicate clearly with others. Work as part of a team. Begin to use a map to complete an orienteering course.	Communicate clearly and effectively with others. Work effectively as part of a team. Successfully use a map to complete an orienteering course. Begin to use a compass for navigation.	Communicate clearly and effectively with others when under pressure. Work effectively as part of a team, demonstrating leadership skills when necessary. Successfully use a map to complete an orienteering course. Use a compass for navigation. Organise an event for others.

	Compete/perform						Begin to complete activities in a set period of time. Begin to offer an evaluation of personal performances and activities.	Complete an orienteering course more than once and begin to identify ways of improving completion time. Offer an evaluation of both personal performances and activities. Start to improve trails to increase the challenge of the course.	Complete an orienteering course on multiple occasions, in a quicker time due to improved technique. Offer a detailed and effective evaluation of both personal performances and activities. Improve a trail to increase the challenge of the course.	Complete an orienteering course on multiple occasions, in a quicker time due to improved technique. Offer a detailed and effective evaluation of both personal performances and activities with an aim of increasing challenge and improving performance. Listen to feedback and improve an orienteering course from it.
	Evaluate						Watch, describe and evaluate the effectiveness of a performance. Describe how their performance has improved over time.
