Teaching and learning approach and the aims for RE in Devon and Torbay

This diagram shows how the three elements of the teaching and learning approach in this syllabus reflect the aims for RE set out on p.8.

Units of study offer content and ideas for enabling pupils to achieve these aims.

Note: The three elements of this teaching and learning approach also incorporate the elements of the teaching resource, *Understanding Christianity: Text Impact Connections* (RE Today 2016) which is being used in a significant number of local schools. Schools that are using *Understanding Christianity* will find that they are delivering the Christianity sections of this agreed syllabus.
